OLGA MASENG

JUNIOR SOFTWARE ENGINEER

About Me

I am a diligent Software Engineering student at CodeSpace Academy, driven by a passion for technology and a multifaceted skill set. My qualifications in End User Computing, Technical Support, and Systems Support have provided me with a solid foundation in IT, equipping me to address a wide range of digital challenges. Currently, I am on an exciting journey to become a proficient Nextjs, React & React Native Developer. I am dedicated to honing my skills in this domain and am actively working on perfecting my knowledge in React. This commitment to continuous learning reflects my determination to stay at the forefront of technology and deliver innovative solutions.
